

Eastern Ontario Staff Development Network

GOALS

- provide a regional voice, through the Board of Directors, on educational issues and initiate problem-solving strategies when necessary
- build, support, and maintain a flexible infrastructure of collaborative systems that promote the exchange of effective practice and shared decision-making
- establish, maintain, strengthen, and broaden networks to meet local needs, set direction, and /or respond to provincial mandates
- provide diverse and high quality professional learning opportunities on a cost-recovery basis
- foster and support the best models of learning opportunities based on current research
- facilitate the exchange of information about locally organized activities and ensure accessibility for all members.
