

Eastern Ontario Staff Development Network Supervisory Officer's Qualification Program

Immerses candidates in the real-life experiences, responsibilities, and work environments of supervisory officers so that their learning is rich and authentic.

Delivers personalized learning that provokes thinking, reflection and professional growth.

Engages candidates through an appropriate mixture of face to face and virtual learning.

Provides ongoing interaction between module instructors and candidates in small groups approximating the size of a senior leadership team.

Prepares candidates to apply their learning within a province-wide perspective.

Engages candidates with current research, policy and effective practice.

Builds a learning network that encourages enduring professional discourse and support among candidates and instructors.

Supports candidates and District School Boards in a comprehensive approach for succession planning.

∞ Fall 2020 Schedule ∞
